The uniform is worn with pride. It is a way to demonstrate that students have made to join the DPS community. It is a symbol of pride and their commitment to fully embrace the values and spirit at our school. Our policy is that all children should wear clothing that is in keeping with a purposeful learning ethos. We also believe that certain school activities are facilitated by specialised and appropriate clothing (including organised events outside normal school hours). There is an expectation that students will comply with the dress requirements and that valuable school time will not need to be diverted to following up on breaches of school uniform policy.

Aim

Our policy is based on the belief that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of belonging
- is practical and distinctive
- identifies the children with the school
- is not distracting in class (as fashion clothing might be)
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity that the school takes pride in
- is regarded as suitable, and good value for money, by most parents
